Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Monday 18 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
A very mild night with rain arriving later.

This Evening and Tonight:
Dry for a time this evening but rain arriving in the second half of the night, this heavy in places. A very mild night under low cloud, with coastal fog and mist further inland. Minimum temperature 14 deg C (57 deg F).

Tuesday:
A windy day with risk of coastal gales. Overnight rain clearing first thing to leave a cloudy morning. Further rain, heavy at times, spreading from the west through the afternoon. Maximum temperature 18 deg C (64 deg F).

Outlook for Wednesday to Friday:
Sunny spells and periods of rain or heavy showers on Wednesday and Thursday. Mild and very windy at first but turning colder by Thursday. Much drier by Friday.
